WILL WE LET GEORGE DO IT?

Action of the City of Santa Clara trustees Monday noon withdrawing southern boundaries of its annexation move to Williams Road has removed conflict of the plan with the court reorganization program. The annexation line along San Jose-Los Gatos Road to Los Gatos city limits, as originally drawn, and from Winchester Road along Hamilton Avenue to San Jose-Los Gatos Road, would have sliced off a considerable portion of the Campbell section in the proposed Los Gatos-Campbell-Saratoga Municipal Court District.

While the court district problem has been relieved, the present Santa Clara annexation lines play hob with the Campbell Union School District building plans by encircling the site for its Cypress school, on Cypress Avenue south of Stevens Creek Road. The annexation plan's effect on other local districts, such as sanitation, fire, high school, hospital and others is still to be ascertained.

The re-establishment of the annexation bounds was accomplished through the commendable efforts of Campbell Attorney Richard W. Morton, who served on the County Bar Associations court reorganization committee.

But now Campbell is out in the open again. It is evident from the Santa Clara moves and counter moves that the Mission City was attempting to protect itself from being overpowered and encircled by the larger city of San Jose. With withdrawal of that long annexation line up San Jose-Los Gatos Road, Campbell finds itself again open to the east, with San Jose not far away. Santa Clara's outer annexation boundaries, as they now stand, leave the main path for San Jose expansion directly through Campbell. Squeeze San Jose on one side, and she'll have to push out into Campbell.

Campbell is an unincorporated community. It is vulnerable. Campbell obviously hasn't much time left to remain Campbell. Tomorrow or the next day we may learn that San Jose has started the machinery rolling for an annexation election. Then Campbell will be powerless to act until after that election.

Cities throughout this area, from San Francisco down to Gilroy are seeking areas for expansion. The cities are being squeezed by spiraling populations, business and industrial growth. Expansion is the theme of the hour, and the theme song is not sweet music to the ears of unincorporated communities lying in the expansion path.

Those bills in the state legislature, sponsored by the powerful League of California Cities, are alarming evidence that the cities intend to force unincorporated areas to annex, or else. The bills provide that urban unincorporated areas having a minimum population density of 300 persons per square mile may be designated as "urban unincorporated area and, to any area so designated, the board of supervisors shall not, after March 1, 1953, provide any municipal type service. By denying the community such municipal service unless ALL costs of such services are paid by the area served, the unincorporated area would be forced to annex to a city in order to obtain fire protection, police protection and all other such services, including road and sewer maintenance.

As we said before, Campbell is vulnerable—either by direct annexation action stemming from San Jose, and we do not overlook the possibility that Santa Clara may try to annex this community, or indirectly should the league of cities lobby pull its weight and push those "urban unincorporated area" bills through.

The next move is no longer up to Campbell alone. Campbell is faced with the choice of either sitting back in its rocking chair and sleepily assuming a "come-what-may' attitude, or of taking matters into its own hands. Here, too, Campbell has a choice, whether to incorporate and choose its own future, or to determnie which of the two cities it wishes to join as annexed territory, ready to assume a heavy burden of bonded indebtedness from the city of its choice.

More and more, the voters are being told that the trouble with this country is voter indifference, the leave-it-to-George attitude, failure to vote, failure to think and a great and blooming willingness to let the politician tell us what we shall and shall not have, what we may and may not do.

Will Campbell leave it to George?

NEW C OF C OFFICERS INSTALLED AT WELL-ATTENDED DINNER GATHERING

Joaquin J. Payne became president of the Campbell Chamber of Commerce Wednesday night during impressive installation ceremonies at a dinner gathering in the Campbell Union High School cafeteria. Laurance J. Hill, a past president of the chamber, served as installing officer.

Others who were seated during the ceremony are Mario Saia, vice-president; Arthur Mayo, treasurer; Harold Estensen and Les Harmon, directors.

Guest of honor was Charles Elsner, president of the Campbell Junior Chamber of Commerce.

C. P. Klassen led the community singing, after which members and their guests introduced themselves. Outgoing Chamber President Eugene W. Barnes introduced the guest of honor.

After two musical selections by high school students, Barnes expressed his thanks to officers, directors and members for their cooperation and support during the past year. Instructor Frank Triena introduced the young musicians and their selections.

Secretary-manager Forrest Reese gave a summary of the chamber activities and projects accomplished or started during the year.

The high school music group presented two more selections, after which Barnes introduced Hill and turned the gavel over to him for the installation.

Eighty persons, including members, their wives and guests, enjoyed the chicken dinner and program of the chamber.

Campbell Union High School music students will present the school's seventh annual spring concert this evening at 8 o'clock in the auditorium. Instructor Frank Triena, right, is shown conferring on program details with soloists and others of the 200 students who will participate in the event. The public is invited. Tickets are .50c each. Shown with Triena are, left to right, Beverly Clawson, Dan Livesay, Gilda Mazzanti, Janice De Reschke and Joyce Klassen.

High School Music Students To Give Seventh Annual Spring Concert Tonight

Seventh annual spring concert, sponsored by the Associated Student Body of Campbell Union High School, will be presented this evening at 8 o'clock in the school auditorium. Over 200 music students will participate in the program for the annual concert which has become one of the finest musical events in the community since it was originated seven years ago by Frank Triena, high school music instructor.

The program is the culmination of the year's activity in the music department, many of whose organizations have performed at various state and local music festivals. The choir and orchestra this year received "excellent" ratings at the state music festival in Berkeley two weeks ago.

Organizations participating will be the orchestra, a capella choir and mixed chorus, all directed by Triena; and the band, directed by Willard LeCroy. The program will consist of several classical numbers and a few popular selections.

Two senior soloists on the program are Gilda Mazzanti, violinist, who will play "Symphony Espagnole" by Lalo, and Dan Livesay, trombonist, who will play the Mozart Horn Concerto with the orchestra.

The public is invited to attend. Admission price will be 50 cents.

Eddie Lazzarini Seriously Hurt

Eddie Lazzarini, co-owner of Re's Market of Campbell, is in serious condition at Mills Memorial Hospital, San Mateo, following a Bayshore collision Sunday morning at 2:15 o'clock.

Lazzarini suffered a broken pelvis and compound fractures of the right knee and ankle when the car in which he was a passenger was hit by an auto driven by an Army Sergeant from the San Francisco Presidio, according to Lazzarini's brother, Dick. The soldier was killed.

Bob Vautone of San Jose, driver of the car in which Lazzarini was riding, suffered a broken left arm. He was treated at a San Mateo hospital and later was released.

Mrs. Lazzarini suffered minor cuts and bruises, and the fourth person in the car, Anna Mae Aszarello, suffered serious facial injuries, including a broken jaw. She is a patient at O'Connor Hospital.

Three women were riding in the soldier's car. Two were injured, one of them seriously.

Dick Lazzarini said his brother is to be moved to a hospital in this area eventually, but that he cannot be moved for at least 15 or 20 days.

The accident occured on Bayshore highway at the Tilton Avenue intersection above San Mateo. The soldier failed to observe a stop sign on the Bayshore Highway, according to Lazzarini's brother.

MARC SWENGEL GETS SAN TOMAS PRINCIPAL POST

Marc Swengel has been appointed principal of San Tomas Elementary School to succeed William A. Shuey, whose resignation is effective at the close of the current school year, according to the office of Campbell Elementary School District Superintendent William C. Henley. Shuey has resigned to accept a position as an elementary school principal with the Mount Diablo Unified School District in Contra Costa County.

Swengel has been a sixth grade teacher in the Campbell district for two years and is now vice-principal of Moorpark school. Before coming here he was a principal and superintendent in Nebraska schools. He has been an educational advisor for the Civilian Conservation Corps and a director in Red Cross work.

The new principal received his M. A. degree from the University of Nebraska.

CYPRESS AVENUE SCHOOL PLANS SENT TO STATE

Plans for the new Cypress Avenue School of the Campbell Union Elementary School District were mailed Tuesday night to the State Division of Architecture with request for their approval. The new school plant, with 11 classrooms and kindergarten room is to be built on Cypress Avenue south of Stevens Creek Road, Superintendent William C. Henley's office has announced.

Construction is scheduled to begin in September, with a March completion date.

Next of the projected new plants for the district, will be the Rosemary School.

Henley said eventual effect of the Santa Clara City road annexation move on the Cypress Avenue project is not known at present, but it may affect the Campbell district because the road annexation area surrounds the Cypress Avenue site.

In addition, he said, new federal regulations may cause a delay in school construction, since school officials must now obtain approval of the National Production Authority before proceeding with actual construction.

Ballot Fumble Spotted By Press; Officials Act To Amend Error In Trustee Ballots For Today

A surprise contest, though short-lived developed in the Campbell Union Elementary School District's trustee election today, and nobody was more surprised than the third man whose name would have made it a contest. The Campbell Press learned Thursday noon that the name of Walter O. Thurber, 1063 Walnut Drive, in San Tomas area, was printed on the ballot together with the names of Walter W. Williams, incumbent, and L. E. "Bill' Means, seeking the post of Ross C. Trowbridge retiring board member.

Closing date for filing of notice of candidacy was April 18 at 5 p. m. On April 19, the County Superintendent of Schools' office released only the Williams and Means names to the press as candidates for the two school district officers.

County Counsel Howard Campen has ruled that April 18 is the last filing date for school board candidates. Campen ruled that filing means the notice of candidacy must be in the office of the superintendent of schools on that date. Mailing and postmark of that date is not regarded as filing. Assistant County Counsel Harry Nail, speaking for Campen, told the Campbell Press shortly before 5 o'clock Thursday night.

A few minutes later, the office of County Superintendent of Schools O. S. Hubbard notified the Campbell Press that Thurber's name was to be blocked out on the ballots.

When Nail was pressed for further rulings on the filing controversy, he said no decisions had been reached other than the April 18 filing ruling, therefore, there remained such questions as whether the election could be legal if absentee ballots bearing Thurber's name had been issued.

Later, at his home, Campen was asked if the election could be legal if two different ballots were used, one for the absentee voters, bearing Thurber's name, plus those of Wiliams and Means, and the other with Thurber's name blocked out. Campen stated that "it is up to the superintendent of schools to provide a uniform and proper ballot.

"I doubt if the absentee ballots would throw out the election. I don't think that it would do more than nullify those few ballots." Actually, he said, "we haven't had a chance to check that far to determine the effect of the absentee ballots, if any were issued.

"The voter can write in anybody's name. That is his privilege. The voter can write in Thurber's name on the ballot."

A late check by the Press revealed that no absentee ballots had been issued by the Campbell Union Elementary School District.

Checking with the county superintendent's office yesterday, after learning about the ballot listing, this paper learned that Thurber had mailed in his notice of candidacy. The letter was postmarked on April 18 at 3:30 p. m.

According to a statement published in the April, 1951 issue of the official bulletin of the County Superintendent of Schools, "Mailed declarations dated before, but arriving in the office after the deadline do not qualify." It stated that deadline "for filing candidacy for the position of school trustee is April 18 at 5:00 p. m."

DELIVERED TOO LATE

Thurber had believed that his notice arrived in the superintendent's office too late to qualify. Dr. E. J. Bohne of the superintendent's office, told the Press that the notice could not have reached the superintendent's office on April 18, if it was postmarked at 3:30 p. m. on that day. "In this particular case," he stated, "I believe it was received on the following morning", April 19. "With a postmark of 3:30 p. m. it couldn't possibly be received before the following morning."

Evidently the notice of candidacy had not been received by the time the final list of candidates was released to the newspapers.

Dr. Bohne, when apprised of the information which had been gathered by the Campbell Press, immediately agreed that a legal opinion was necessary and said he would notify this paper as soon as it could be obtained.

LEGAL OPINION SOUGHT

While awaiting a return call from Dr. Bohne, the Press phoned County Counsel Howard Campen for a statement. Campen had just been notified by Bohne, but said

Stray Rifle Bullet Wounds Youth As He Plays With Neighborhood Group

A young Campbell youth was wounded by a stray bullet from a .22 rifle Wednesday as he was playing baseball with friends on Apricot Avenue. The injured youth is Richard Edsinger, son of Mr. and Mrs. Ward Edsinger of 522 Apricot Avenue.

Mrs. Edsinger has appealed to rifle owners who have been shooting in the Los Gatos Creek bed to be more careful in the future, and to fire only at targets protected by a bank at the rear.

The street was crowded with other youngsters in the neighborhood, she reports, and one of the children could have been killed. The bullet struck the front of young Edsinger's left knee, as he stood facing an orchard which separates the creek from Union Avenue.

The boy was taken to a doctor, who reported that size of the hole indicated it was made by a .22 rifle bullet. The bullet had not lodged in the knee but Mrs. Edsinger found it later in the street near the spot where her son had stood when he was hit. The physician said serious complications could have arisen had the bullet struck the artery at the rear of the knee. The wound is not expected to cause permanent damage.

The bullet has been turned over to sheriff's deputies who are investigating the case. Mrs. Edsinger said she does not believe the youth was an intended victim, but that the bullet had been a stray from the shooting in the creek bed.

Formed To Aid Tax Election

Nucleus of a citizens committee has been formed to support the special school tax election in Campbell Elementary School District on June 12. Co-chairmen are Mrs. Robert Farrell, representing San Tomas area; Mrs. Edwin B. Horsley, Campbell area, and Mrs. Eugen Andres Jr., Moorpark area.

Purpose of the election is to raise additional local funds to meet declining value of the dollar. Funds will be used to increase teacher salaries to meet the high cost of living, and to thus attract superior personnel to the teaching staff here. Funds also will be used to operate and maintain the school buildings in the district.

A large number of districts in this area have been faced with the necessity to have this tax program and many have called similar elections to meet the problem.

William Minehart, former broadcaster for the Armed Forces Network in Berlin, Germany, was in Campbell last week to visit his mother, Mrs. Ethelda B. Minehart of 900 W. San Tomas Road, before going to Denver, Colorado, to begin his new job with the Associated Press there. Guests of Minehart during his stay here were Mr. and Mrs. Glenn Pratt, shown above. Pratt is on leave from his post with the OFN in Frankfurt, Germany.

Camp Fire Girls' Summer Camp To Open July 3

Camp Fire Girls learn to enjoy adventure with safety during their stay at the camp held each summer at Camp Wastahi in Big Basin according to Miss Ardith Frost, who addressed fifty members of the Santa Clara County Council of Camp Fire Girls at a workshop and pot-luck dinner meeting in Louise Van Meter school in Los Gatos Monday night. Miss Frost teaches women's physical education at San Jose State college.

Fun, health, new interests, learning of new skills are all part of the group experience which camping brings, she said. Trained leaders are able to teach the girls all phases of camp craft and the all-important art of making camp life comfortable with whatever the camp offers in the way of facilities, she stated.

Camp dates this year run from July 3 to August 9. The Camp Fire Girls is a Red Feather agency of the Community chest.

Pupils Entertain Grammar School PTA; New Committee Chairmen Appointed

Campbell Elementry School pupils exhibited their talents Tuesday for the Parent-Teacher Association's final meeting of the school term. Mrs. Leonard Merrite, newly installed president, presided at the gathering and gave an informative report on the PTA convention held last week in San Diego. Mrs. W. B. Morell, new vice-president, announced the program.

Rythm band members from Mrs. June Venderhurst's kindergarten class performed, and Miss Patricia Hill's second grade sang "Lullaby" and "Grandfather's Clock." Kenneth Gordon, from Mrs. Singelton's first grade, played a violin solo, "English Hunting Song." Mrs. Vollei's third grade class gave a fine performace of the "Wooden Shoe" folk dance. Miss Evelyn Rosemar of Mrs. Lillian McCall's glee club played a piano solo. A trio of glee club members, who performed in the Berkeley music festival recently, sang two numbers.

Mrs. McCall led the glee club in "Old McDonald Had A Farm", "Still of the Night" and "Manna from Heaven".

PTA members expressed appreciation for the program and for the work of the teachers whose efforts with the children were evidenced in the fine performances.

Unanimous support of the tax raise to provide salary increases for the grammar school faculty was voted by the unit. Officers urged everyone to vote at the special election June 12.

The increase would be from .90c to $1.20 per $100 of assessed valuation, a 30c raise. Mrs. Dorothy Royce, school principal, explained the issue and stated that salaries in other professions have been raised to meet increased living standards and costs, while those of teachers have not been brought up. She pointed out that teachers have responsibility for the children for a great portion of the day, that teachers are parents, too, and also have households to maintain. They have the same problems as the rest of the nation in endeavoring to carry on in the face of high prices.

New chairmen for the year, who were presented with corsages by the president, are: Mesdames V. J. Carlino, budget and finance; Richard Max, membership; F. R. Young, parent education; T. F. Tortaro, refreshments; E. L. Hammer, co-chairman; S. M. Sloane, decorations; Dorothy Royce, life membership; Raymond Davis, auditor; F. E. Munson, magazine; Wayne Lenz, inspiration; H. H. Keech, room mothers; George Heiser, room prozes, and E. B. Horsley, publicity.

Yvonne Rappe, Joy Deach and Pauline Sprague, all of the Wiggata Camp Fire group, led the Flag salute. Mrs. Tortaro was in charge of refreshments which were served in the cafeteria. Kindergarten and first grade mothers were hostesses.

BRIEFS FROM THE STATE CAPITOL

By Charles S. Gubser
State Assemblyman, 29th District
May 14, 1951

As we open another week of the 1951 session of the State Legislature, we look back upon one which brought the annual attack upon liquor administration as well as the perennial liquor tax bills.

The Senate Committee on Governmental Efficiency and Economy last week killed SCA 24 which would have separated liquor administration from the State Board of Equalization. Such separation has been a prime objective of many groups for a number of years, and the State Board of Equalization had indicated by resolution that it had no objection. Nevertheless, they opposed the proposition.

Assemblyman J. W. Silliman of Salinas recently published the report of his Committee on Governmental Reorganization which advocated division of liquor administration from the taxing authorities. After defeat of SCA 24 in the Senate, some consideration has been given to the introduction of an Assembly bill accomplishing the same purpose. It is doubtful such a bill will be introduced because its proponents lack the necessary votes to bring it through. It is felt that more support must be secured for such separation before such a bill has any chance of success.

LIQUOR TAX

During the week a bill was introduced raising the State Tax on beer and whiskey which was referred to the Assembly Committee on Boards and Commissions. The measure is not given too much chance of passage because of the tendency against all new taxes of any kind.

Another bill which is of great interest to residents of Santa Clara County, and particularly to the proponents of the celebrated Reber plan, is SB 416 which was killed in the Assembly Conservation and Public Works committee last week. This bill would have provided $750,000 to complete the study for a San Francisco Bay bridge from Richmond to San Rafael. Proponents of the Reber Plan feel that if SB 416 had passed, the bridge advocates would have won another victory over believers in the Reber Plan.

A most interesting committee hearing before the Governmental Efficiency and Economy committee, of which I am a member, was held last Wednesday, at which time two bills creating a fair employment practice commission were defeated. Particularly damaging to the case of the proponents of the bill was the testimony of Almon E. Roth of the San Francisco Employers Council who cited the experience of San Francisco in its voluntary method of attack against race discrimination. Mr. Roth cited numerous instances where colored people are being hired as salesgirls, stenographic employees and in other lines which had normally been restricted to members of the Caucasian race. The committee felt that in light of such progress, that it was best to educate against racial intolerance rather than legislate against it.

VETERANS' BONUS

The mail continues to pour in on a proposed Veterans' Bonus bill. I have been receiving approximately five letters favoring the bonus to every one which opposes it. "Cloak-room talk"' gives the measure little chance of passage since it is expected that all veterans of World War II on the floor will oppose it.

At 11:00 a.m. this morning we will debate the advisability of a 3c per pack tax on cigarettes which will be used to support increased State appropriations to local school districts. Proponents of a veterans bonus have dropped their claim to such a tax and have surrendered it to the needs of education. Organized labor has taken a firm stand against the bill, basing their arguments on grounds that such a tax is against those who are least able to pay.

The particular bill (AB 1985) to which the cigarette tax has been added would grant approximately $45,000,000 in increased aid to local school districts. Since the surplus from this year's operation of the State Government will be but $20,000,000, a new tax measure to make up the added $25,000,000 will be necessary should this bill carry.

KIRKWOOD BILL

A much less drastic bill, AB 2061 by Mr. Kirkwood, has been temporarily placed on the inactive file. This would grant approximately $8,000,000 to local school districts and could be financed out of current revenue without additional taxation. Governor Warren has strongl yrecommended passage of this bill. Los Angeles representatives were successful in amending certain features into the bill regarding transportation to the City of Los Angeles which are not consistent with the over-all purposes of the bill.

Because of the inconsistencies, which were placed in it over the objections of the author, the bill has been left on the inactive file pending the result of AB 1985 which we will discuss this morning.

With the unprecedented growth in school population in the state of California, some added relief to over populated school districts must be forthcoming from this session of the Legislature. Events of this week should show which avenue that relief will follow.

Sport Shorts

By JERRY THOMAS

IN A FEW YEARS . . . With Campbell high school expanding by leaps and bounds and the athletic turnout steadily increasing in the major sports, followers of Bucville teams can expect big things from the grid eleven, basketball five, and baseball club.

Yet we are willing to wager next week's pay (already spent on this month's copy of "How to Write Sports") that within a few years, if not sooner, Campbell's tennis teams will reap much of the glory.

Granted, Coach Harold Drummond's netmen have been the toast of the SCVAL along with Los Gatos. In fact, the Bucs just lost their first league match in two years earlier this month as the Cats maintained an unbeaten

Not satisfied with his charges' domination in Valley play, Drummond is seeking matches with some more powerful PAL teams like Burlingame and San Mateo. Palo Alto and Sequioa met the local courtmen this year, with Paly dropping two matches and Sequioa winning one.

Reasons for our prognostications are two-fold; the present talent playing under the capable tutoring of Drummond and the new tennis program to be included as part of the PE setup this fall.

Drummond is sold completely on prep tennis and his year-round attitude and zest for the game is evident. If the players are one tenth as enthusiastic over the sport, all should be satisfactory in the net camp.

We asked Drummond what'll be new on the tennis front now that the Bucs have concluded their final match of the season. He quickly replied that he will continue instructing juniors, sophomores and freshmen during the school year in fundamentals. A few informal intra-squad matches will augment the practice sessions.

Regardless of how capable a coach may be, nothing can be accomplished without a degree of potential high school talent. Drummond has plenty, to put it briefly.

Although he is losing five men through graduation this fall, Drummond expects to have another strong team available next spring.

Gone or we should say going are Tom Barton, Dave Baxter, Ollin Shanrock, Jim Hearon, and Ray Mason. But Drummond has Trent Barton, Tom's brother, and Dick Jordan back again. The most promising youngster is Dick Kaufman, a tall, serious sophomore possessing a pair of springy legs, ideal temperament, and a working knowledge of the basic strokes. Come next March, Barton and Jordan will have a tussle on their hands n vying for top singles positions.

Jim Shepardson who saw limited duty on the varsity this year will be back also. Jim was handicapped by his eyes but expects to be in top physical shape in the spring.

Two other lower-division netmen that bare watching are Dick Carter, slender freshman, and Dennis Kelly, sophomore who could have made the varsity except for illness.

We expressed visable surprise when Drummond told us that he is making tennis part of the PE program this fall and that each student will have 4-5 weeks instruction.

The Campbell athletic boss' answer soon satisfied our doubts.

"We're stressing tennis because of its carry-over value upon graduation and in later life", he commented. "It is good physically and socially.

"I have letters from graduates thanking us for teaching them a sport in high school that could be appreciated fully and played in later days. In fact, some letters date back to 1931-32. And I have yet to receive such letters from football or basketball players," Drummond added.

For our money Campbell high has captured more than its share of tennis laurels in and around the valley. But like in anything else, bigger and better conquests serve an enticing challenge. Drummond & Co. should respond with an adequate answer in due time.

SPORT STOPS . . . Former Buc grid and diamond star DEL AMBLER has decided to give up football at SAN JOSE STATE and concentrate on baseball next spring. AMBLER made the SCVAL all-star nine in his senior year at Campbell . . . It can be easily understood why FREMONT high fares so successfully in track . . . the answer is man-power, plus . . . In the recent INDIAN-BUC trackfast, the Sunnyvalers entered a total of nine high jumpers in the Class C event . . . From this mob the Indians should develop at least one lad who can clear 6' 3" in his senior year . . . Our special thanks to JOE ERROTA, noted Southern California track expert, for doing our lead story on track this week . . . JOE took in the FRESNO Relays with us and is headed for the MODESTO extravaganza tomorrow.

Three Bucs Qualify for N.C.S.; SCVAL Trials Set for Tuesday

By "JOE" ERROTA

Coach Junior Morgan's Campbell high cindermen wind up their dual meet season at Los Gato high this afternoon without the services of hurdler Howard Kaeding, miler Rod Kolze and Dennis Dunne, Class B broad jumper. Morgan said he is holding the trio out of today's meet because they will be competing in the North Coast Sectional finals at Berkeley's Edwards stadium tomorrow morning and afternoon. Kaeding and Kolze qualified for the state qualifying meet with competent performances at the NCS II meet at Fremont high Friday night.

Kaeding reeled off a 15.1 (.1 off his best time) high hurdles victory in a preliminary heat but lost his step over the third hurdle and fell back to third in the finals. Lutrell of Sequoia high school won the final heat in 15.7. The local baron of the barriers also qualified in the 180 yd. low sticks, again trailing Lutrell to the tape in 20.5.

FINISHED FOURTH

Kolze finished fourth in the mile run but ran his fastest four laps of the season. Lincoln high's Carroll Williams uncorked a torrid stretch run and won the race easily in 4:35.4. The Campbell leather lunger matched strides with the skinny Lin for three laps but could not cope with Williams' tremendous finish.

Dunne, after failing to qualify for the NCS finals in the Class B 100-yard dash finals, leaped 19 ft. 6 in. for a fourth place in the broad jump. Morgan said Dunne may be entered in the century at Los Gatos today but will be held out of the broad jump event.

Campbell suffered a sad blow at the NCS II meet at Fremont Friday. Marvin Allen, sensational sophomore sprinter, jumped the gun three times in the 100-yard dash finals and was disqualified. He was conceded an excellent chance of winning. Allen has run the century in 10.3.

Los Gatos, today's final dual meet opponent, outscored the Bucs Friday 18-10 and have a good chance of outpointing Campbell today. The 'Cats won two events at the NCS meet, the pole vault and the 440. Bud Lindsay won the quarter mile in the fast time of 50.8, but may be held out of today's meet.

LINDSAY OUT?

The event Lindsay does not compete today, Buccaneer Dan Livesay will be favored in the one-lap event. If the locals are to win, they will have to retain superiority in track events as they have done over other SCVAL schools.

"Sonny" Musladin will be favored to nab the 100-yard dash but may have to yield to teammate John Hoover in the 220. Morgan plans to run Jack Bray in the 880 and Stu Imrie in the mile.

With Kaeding out of the barrier events, Charlie McBain could breast the tape in the low timbers for the first time since the 1950 SCVAL finals. The stocky Buc almost missed today's meet too by nearly qualifying for the NCS finals.

Jim Porter, who has been taking a back seat to Kaeding all year, will get this chance today. Morgan believes Porter has a good chance today.

Mentor Morgan probably will use Musladin, Hoover, McBain and Livesay in the relay. A combine consisting of Musladin Hoover, McBain and Kaeding, raced to a new school standard in a dual meet against Fremont last week. They were timed in 1:36.4.

Wayne Rozema, Campbell's top field event man, will be favored in his specialty, the hop-step and jump. He set a school record last week with a 41 ft. 10½ inch effort. He also will enter the broad jump.

Bray, Buc half-miler, also will compete in the high jump and the hop-step and jump. Other possible point winners in the field events include Saul Estrada, improved discus flinger; Saia in the broad jump; Christie in the high jump and Leick in the shot put.

SCVAL NEXT WEEK

Time trials for the SCVAL championships are slated for the Fremont oval at Sunnyvale Tuesday afternoon. Coach Morgan plans to enter three men in every event for all four classes. Finals also will be held on the fast Indian track Friday night at six o'clock.

Six men will qualify for the sprint finals and eight men the 440. Six relay teams will qualify for the 880 relay finals.

Campbell, along with defending champion Fremont, Mountain View and Los Gatos, are pre-meet favorites in the varsity division.

Local Softball Loop Starts Play Tues.; 'A' League Defunct

Better late than never!

The Campbell Softball League, delayed one week because of schedule complications, starts active play Tuesday evening, May 22, on the grammar school diamond.

Neil Royer, loop commissioner, announced yesterday that only a B league will play out of Campbell this summer. Plan for a faster A loop fell through when only three teams showed any interest.

A full roster of clubs will form a potent B league. The six teams are Campbell Independents, Netops, Campbell Hardware, Calado Studios, Campbell VFW, and the Jr. Chamber of Commerce.

The team managers and commissioners met last night at the local grammar school to draw up schedules and rules.

Complete team listings and season schedule will appear on this page next week.

The Junior League, composed of six clubs, swings into action June 1.

Faculty Challenges Buc Diamond Nine In Afternoon Tilt

With the regular season in the record books, the Campbell high baseball nine is out to cap a mediocre year today when it tangles with the Faculty squad on the local diamond in an annual tussle.

George Miskulin's charges sport eight wins and 10 losses at this writing. A victory this afternoon would afford moral support for several close ones dropped during the season.

Scheduled to "pitch" for the ancient ones is Bert Robinson, basketball coach. It is said that as a baseball hurler Robbie makes one terrific cage mentor.

Others in the Faculty lineup or set to maintain a strong bench are Ken Brown, Jim Muir, Jules Langlo, Larry Newberry, and Miskulin.

The undergraduates are undecided who will get the honor of starting on the hill, but all indications show that the entire Buc staff will have an opportunity to increase their strikeout average.

Auto Enthusiasts To Attend Meet At Pebble Beach

Further organization plans were discussed by the car enthusiasts from various sections of the valley and peninsula.

Next session will be on Wednesday, May 30.

Campbell Netmen Defeat State Frosh 6-4 On Local Court

Coach Harold Drummond's versatile Campbell high tennis team, playing under collegiate rules, defeated the San Jose State college Frosh Wednesday afternoon, 6-4, on the local courts.

Unlike prep rulings that permit a player participation in either the singles or doubles only, several Bucs saw action in both matches.

In the No. 1 singles match, Don Straub, leading Spartan netman, outlasted Tom Barton, 6-1, 13-11. But a longer marathon resulted in the Dave Baxter-Phil Wilson tussle in the No. 2 singles. Baxter copped the opening set, 14-12, and then breezed by in the second, 6-0, as his SJS opponent completely faltered from exhaustion.

Baxter teamed with Jim Hearon to capture the No. 1 doubles match, 6-0, 6-2, from Straub and Bob Bradley.

The Bucs' No. 3 duo of Tom Barton and Dick Jordan cinched the lengthy afternoon affair by turning back Dan Love and Ron McKenzie, 6-2, 6-3 in the finale. The Spartans would have tied the match at 5-all if Barton and Jordan had faded.

Match scores: Singles — Straub(SJ) def. Tom Barton, 6-1, 13-11; Baxter(C) def. Wilson, 14-12, 6-0; Shanrock(C) def. Bradley, 6-2, 6-0; Trent Barton(C) def. McKenzie, 6-0, 6-1; Payne(SJ) def. Jordan, 6-0, 6-1; Love(SJ) def. Mason, (C), 8-6, 6-4; Shepardson(C), def. Campbell, 4-6, 6-4, 6-4.

Doubles—Baxter-Hearon (C) def. Straub-Bradley, 6-0, 6-2; Wilson-Payne(SJ) def. Shanrock-Trent Barton, 6-2, 6-0; Tom Barton-Jordan(C), def. Love-McKenzie, 6-2, 6-3.

Judge M. S. Walsh Fines Motorists

Thomas Bane of Santa Clara was fined $100 by Justice of the Peace Martin S. Walsh of Campbell on Wednesday of this week on a charge of drunk driving. Bane was arrested on Winchester Road by Officer Devries.

Judge Walsh also assessed 10 motorists $5 each for violation of the arterial stop at San Tomas Road and West Campbell Avenue. Walsh estimated that about half the drivers were Campbell area residents, and the others from outside the community.

Miskulin To Attend SJ Coaching Clinic

George Miskulin, line coach of Campbell high's football eleven, will attend the first annual San Jose State college football clinic tomorrow at Spartan stadium.

Head Coach Bob Bronzan and staff will put the Spartan gridders through morning practice until 12 o'clock. From noon until 2 o'clock the visiting coaching dignitaries will be feasted at a barbecue.

Starting at 2 p.m., Coach Bronzan will conduct his clinic with the players running through various offenses and defensive patterns.

The clinic is open to all former SJS graduates now in some phase of prep football. Junior Morgan, Buc backfield coach, will be unable to attend due to the NCS trackfest at Berkeley.

YOUNG HIGH SCHOOL STUDENT NOW ON FOOTBALL TEAM

Delmar B. Callaway, Box 151, Church Point, Louisiana, says maybe he isn't the best football center in the country, but he'll bet his pocketknife that there isn't a boy his age who has got the energy he has. Yes, Delmar now feels great! . . . and he says he has HADACOL to thank because his mother read how HADACOL was helping boys and girls suffering from deficiencies of Vitamins B1, B2, Niacin and Iron and decided to give it to him.

Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, $1.25, or the large family or economy size, $3.50, and if HADACOL doesn't help you, you will get your money back.

Memorial Poppies To Bloom May 25

Poppies by the millions will bloom May 25 in memory of America's war dead. Made of crepe paper, replicas of the poppies of "Flanders Fields," they will be worn throughout the United States to pay tribute to the hundreds of young Americans who have given their lives in the nation's defense in three wars—the two World Wars and the present conflict in Korea.

Here in Campbell, women of the American Legion Auxiliary will be on the streets early in the morning with baskets of the little red flowers of memory. They will work throughout the day and hope to have a poppy on every lapel by nightfall. The observance is being directed by Mrs. Rex K. Fuller, poppy chairman of Campbell Auxiliary unit.

Disabled veterans of both World Wars have been working for months in hospitals and convalescent workrooms making the flowers.

Traffic Signal To Be Replaced

That automatic traffic signal which has been doing such a good traffic and pedestrian control job at the intersection of Campbell Avenue and Winchester Road, has been withdrawn, but a replacement is expected within about three weeks.

Supervisor Joseph M. McKinnon said the portable signal was loaned for a short time to this area as a demonstrator, and has been removed for use elsewhere. McKinnon said another signal has been ordered and should be delivered here in about three weeks.

The former is curriculum coordinator for the district, and has been a teacher and administrator in the Campbell area for the past 31 years. She has taught in both upper and lower grades at Campbell Grammar School.

Mrs. Stuart also organized the audio-visual educational program for the district. Three years ago she became full time curriculum coordinator for the district.

Mrs. Swane, a fifth grade teacher, is completing 25 years of teaching in the district. She has been here since 1926. Prior to coming to Campbell, she was a teacher and principal in a San Joaquin valley school.

The retiring teacher is the granddaughter of John Brown of Civil War fame. Her grandmother and mother came west after John Brown was executed for the Harper's Ferry incident, and settled in the Saratoga area. Mrs. John Brown's daughter was the mother of Mrs. Swane.

Successor to Mrs. Swane, as curriculum coordinator, will be Helen Peterson, now a special teacher specializing in reading instruction. She is chairman of the report card committee for the schools.

Notice is hereby specifically given that a question of law is now pending involving the determination of the exact boundaries of Campbell Union School District, including the question of whether or not a portion of Campbell Union School District as the same existed January 1, 1950, has been included within the City of San Jose by election held on February 23, 1950, and therefore by the same proceedings excluded from Campbell Union School District. That certain area within the boundaries of Campbell Union School District commonly known as Bradley Manor No. 3, more particularly described in the Certificate of Annexation filed by the City of San Jose in the office of the Secretary of State on April 6, 1950, and as described in that certain Affidavit of Completion of Annexation by the City Clerk of the City of San Jose and filed for record in the office of the County Recorder of the County of Santa Clara on the 11th day of April, 1950, bearing Recorder's serial number 631340, was annexed to the City of San Jose in and by said proceedings which are hereby referred to and by reference incorporated herein and made a part hereof.

The said area described in said annexation proceedings is all included within Election Precinct No. 4, hereinabove referred to and constitutes a separate election precinct for the purpose of the Special Tax Increase Election hereby called.

If it be finally determined in the proceedings now pending in the Superior Court of the County of Santa Clara, entitled, "Chadwick M. Morin and Frances M. Morin, Plaintiffs, v. City Council of the City of San Jose, et al., Respondents, Philip L. Olson, and Dorothy L. Olson, Intervenors," No. 76097, which proceedings are hereby referred to and by reference incorporated herein and made a part of this Notice of Election, that said area was not legally annexed to the City of San Jose and said area does not constitute a part of the San Jose Unified School District, the votes cast within said Election Precinct No. 4 shall be counted as legal votes for or against the authorization to increase the tax rate, as the case may be, and thereafter, for the purposes specified in said Special Tax Increase Election if authorized at said election, said increase in the tax rate may be levied upon the taxable property in said area with like force and effect as though the same were a part of the Campbell Union School District.

If it be finally determined in the proceedings hereinabove particularly described that said area was legally annexed to the City of San Jose and said area does constitute a part of the San Jose Unified School District, the votes cast within said area at said Special Tax Increase Election shall be disregarded and none of the property within said area shall be taxed for the purposes for which said Special Tax Increase Election is called.

The said election is to be held in accordance with the provisions of the Education Code of the State of California, governing said elections.

The governing board of the school district shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock P. M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 10th day of May, 1951.

Mrs. Jessie Campbell Honored With 'Mother Of Campbell' Title At Theater

Mrs. Jessie Campbell, member of Campbell's first family and queen of the 1951 Old Settlers' Day here, was chosen Mother of Campbell at a special Mother's Day program Sunday at the Campbell Theater. All mothers over 65 were guests of the theater and were given orchid corsages.

Manager Terry Ruff of the theater represented Campbell merchants who presented the honoree with a cake bearing the frosted inscription: "To the Mother of Campbell from the Campbell merchants."

In addition to the cake, Mrs. Campbell was showered with an assortment of gifts from the local merchants. In her response to the honors bestowed on her, Mrs. Campbell told the assemblage that she wanted to thank all the merchants and the public "for presenting her with the highest honor she has ever received" in being named mother of this community.

MY THANKS TO EVERYONE

Mrs. Campbell has also asked that she be allowed to express her thanks to all who participated in the program through the medium of the Campbell Press. "Many of the cards which accompanied the gift packages were lost as they were being carried out of the theater," she explained, and I have no way to express my thanks to those whose cards, were lost, except through the Press.

"I want to thank everyone who was so thoughtful," she said, "all the merchants who gave gifts, the theater manager and the employes who were so fine, and the taxi driver who took me to and from the theater. It was a wonderful program, and I am very proud to have been named 'Mother of Campbell'."

HOUSEWIVES IN BLACK MARKET?

This may come as kind of a shock, but some of you ladies might be in the **black market** right now. That's what happens when slaughterers "upgrade" their meat. Instead of selling a whole carcass of beef they cut it into several pieces. But all these pieces added together cost a lot more than when it was all one piece. (One report has it as high as 50 per cent more, but we'll settle for 5 per cent. That's bad enough!)

Anyhow, when you housewives buy this "upgraded" meat, you'll be in the black market up to your ears and won't know it. Of course you might begin to think something's wrong when the food budget starts giving you trouble.

DANGEROUS THOUGHT

For a minute or two we figured about 56,000 families in and around San Jose might be buying **black market** newspapers! Right after taking a look at the news about some U.S. publishers getting newsprint from Scandinavia at black market prices, we stopped at the Mercury and saw a truck unloading paper marked "Finland." Tsk, tsk, we thought! But after checking up we found the papers were still selling for only five cents. So we knew everything was O. K., Wish we could say the same for meat!

LATE PREDICTION

We were right interested to see a famous news magazine predicting a black market in meat. U.S. News & World Report (May 11 issue) says, "Here comes the black market again . . . meat is in line to take the spotlight . . . illegal markets are getting ready to boom, while legitimate channels of trade may starve for supplies."

This sure won't be much of a surprise to you folks. Remember, we looked into the crystal ball several times during the past three months and came up with the same gloomy prospect.

ENCOURAGING SIGN

(Thought you might like to hear something good about OPS for a change.)

After getting all confused, befuddled and disgusted with these price control regulations, we decided to go right to OPS Headquarters in San Francisco to get things unscrambled.

Remembering the rough handling the old OPA used to give us, we had our feathers already ruffled up for a fight. But then what happened? We got treated right! Mr. Seacord (Director) and staff were real gentlemen and gave first class service. They admitted there were some answers they didn't know, but they were sure ready to do everything possible to get the information. Well, this kind of made us think that a little cooperation all the way around might help things a lot.

So how about eating a little less meat for a while, especially right now when these new regulations are going into effect. Let's all help discourage the black market!

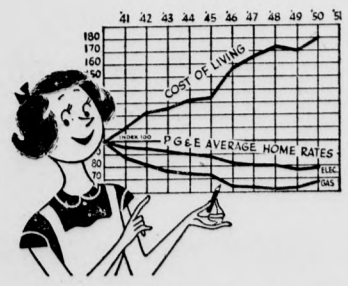
A home laundry operates for pennies

especially with P. G. and E. rates lower than in 1940

A modern washer is the start of a modern home laundry. If you have one . . . fine! If not, consider getting one. There are many fine conventional models available and, bless them, they operate for a few cents a load on P. G. and E. lower-than-1940 rates!

An automatic clothes dryer is a good investment and an important part of a home laundry. At your convenience, day or evening, it fluff-dries an entire wash sunny-fresh and sweet in a matter of minutes. Here again, you benefit by P. G. and E. bargain rates.

Since 70% of the average family wash is flatwork which can be quickly run through an ironer, you will want this helpful appliance in your home laundry plan. With a little practice you can also do shirts, dresses, frilly things on the ironer. Folks who have them say they more than pay their way.



Homemakers! It's amazingly easy to start a home laundry when you have a plan. Let your dealer show you how to make best use of present equipment, how to add other work-saving appliances later on. With P. G. and E. rates lower today than 10 years ago, a home laundry complete with washer, dryer and ironer usually adds less than 85¢ to your monthly bill. A bargain!

RESIDENTS HAVE CHANCE TO AID BOYS EARNING FUNDS FOR TRIP TO CANADA

Campbell residents have an opportunity to play benefactor to five local YMCA youths and receive some compensation in return. The five youths are seeking od jobs which will help them earn part of the expense money for their trip to Canada this summer.

This trip, to be conducted under auspices of the YMCA in San Jose will provide an opportunity for travel and learning which may never again be offeered the boys. The schedule calls for departure from San Jose aboard a Greyhound bus on July 29, travel up the coast, stopping overnight at Y's along the way, including one night each in Seattle and Portland, and a night on Prince Rupert's Island. They will return on August 6 to San Jose.

Each boy is required to earn at least a part of the $62.50 trip cost. Since most of the local boys are under 12 years of the local boys are of work they can do is limited to weeding, running errands and similar duties. One of the boys is a high school graduate and can handle more difficult tasks.

JOBS NEEDED

Mrs. William Ammon of Campbell, who will accompany the group as registered nurse, and pay her own way, is serving as an employment agent here for the boys. As calls from interested residents are received, she portions the jobs among the boys so that each will have an opportunity to earn. Many more jobs are needed, and she has appealed to Campbellites to help in this worthy project. She may be reached at Campbell 2123 up to 11 a.m. and after 4 p.m. or at Campbell 2665 from 11 a.m. to 4 p.m.

Mrs. Ammon suggested that residents pay youngsters for the jobs by amount accomplished, rather than time worked, since they are so young. For instance, so many square feet of lawn weeded would bring a definite sum, rather than the entire lawn or so many hours of work.

More youngsters are expected to sign up for the trip when parents learn that the boys will be well supervised by experienced adult leaders from the YMCA, and by mothers of some of the boys.

THIRD DEGREE

Morning Light Lodge 42, IOOF, conferred the third degree on one candidate Thursday night at its regular meeting.

Jack Chappell was installed as district deputy grand master by Montrose Lillie of San Jose, retiring district deputy.

More About . . . BALLOT FUMBLE

(Continued from page 1)

he doubted if he could give an opinion by Thursday afternoon closing time. Asked if the election would be illegal, or if Thurber's filing was legal, Campen said, "Lady, don't ask me all those questions. I can't answer without checking the facts. This requires a legal opinion and I don't want to stick my neck out before I've checked."

When he was reminded that the school election would take place on the following day, and some decision should be available before then, the County Counsel replied that he had too many other matters ahead of the school election, and probably would be unable to give an opinion until the following day, the day of the election.

Mrs. Thurber was surprised at learning her husband's name was on the ballet. "I thought he had filed too late," she said. "He mailed the letter instead of taking it in to the superintendent's office. He had given up hope this time, but thought he might try again in two years." Later, after she had notified her husband, she said her husband had been both surprised and pleased at the news.

Thurber is a draftsman with the Hearst Industries in San Jose. He and his wife have a son, Donald, 8, and they have lived in the San Tomas area since moving from Pasadena four years ago. Thurber is president of the San Tomas Men's Club and has been active in Boy Scout work there.

FIREMEN RAISING CASH TO FURNISH NEW FIREHOUSE

Campbell Volunteer Fire Department is currently selling tickets to a special program which will be highlighted by dedication of the new fire house on Central Avenue, July 15 at 2 p. m. Proceeds from the sale of tickets will go toward furnishings for the new fire house.

Tickets will entitle holders to participate in selection of a winner for a 17-inch combination Motorola television set which will be awarded at the time of the fire house dedication. Campbell residents were urged to help the volunteer fire department by purchasing tickets which went on sale this week.

Never before has the fire department asked the help of the community it serves, firemen pointed out, and all members are requesting support and cooperation of the community in this project. As matters now stand, there are not enough chairs to seat all members when there is full attendance at the monthly meetings.

The television set is on display at the Campbell Furniture and Appliance Store, 249 E. Campbell Avenue. Tickets are .50c each, and may be purchased at Sanfillipo's Star Family Shoe Store, Jones Service Station, Zimmer and Humphrey Shell Service, or from any member of the fire department.

Here is an opportunity for Campbell residents to support the fire department which protects the community.

Firemen expect to occupy the new building shortly after June 1.

Date Set For Buddy-Poppy Sale

On May 25 and 26, the people of this community will be asked to buy Buddy-Poppies. Ladies of the auxiliary and members of Lt. Byron C. Lanphear Post 6305, Veterans of Foreign Wars, of Campbell, will be on the streets to offer you the chance to prove that we have not forgotten the men who can't forget the scars of war.

Whether you give much or little, every penny that you contribute will be used exclusively for veterans welfare purposes. You can join with the VFW in "Honoring the dead by helping the living!"

Most of the money derived from the sale of these emblematic flowers will be spent here in our own community. They are made by hand, in government hospitals, by disabled veterans. These were the hands that fired the shells, released the bombs, and piloted the planes of our armed forces in time of war. No group of Americans is more worthy of our favor and consideration. None have made a greater sacrifice to gain the peace and the bountiful blessings which we all enjoy, as American citizens.

The American people have given generously to the rehabilitation of millions of people in all parts of the world, let's be considerate of the welfare of our own disabled and needy veterans and their loved ones.

Be sure to give generously when you are asked to buy these symbols of patriotism, and wear it proudly, wear it as a symbol of your gratitude to the men whose sacrifices brought victory to the American people. Let's all show we are grateful by buying VFW Buddy-Poppies.

Sincerely,
VFW Post 6305, Campbell
